2016 Swim Programs

≈ Learn-to-Swim

Learn-to-Swim teaches aquatic and safety skills in a logical progression. The objective is to teach people to swim and to be safe in, on, and around the water. Skills are categorized into six levels. The levels and objectives are:

Level 1: Introduction to Water Skills

Helps students feel comfortable in the water and to enjoy water safely.

Level 2: Fundamental Aquatic Skills

Gives students success with fundamental skills.

Level 3: Stroke Development

Builds on the skills learned in Level 2 by providing additional guided practice.

Level 4: Stroke Improvement

Develops confidence in the strokes learned and to improve other aquatic skills.

Level 5: Stroke Refinement

Provides further coordination and refinement of strokes.

Level 6: Advance Swim

Underwater training, medley swims/drills, and butterfly strokes.

≈ Swim Camp

Swim Camp is five days of two hour sessions for incoming 5th - 8th graders. Camp includes stroke instruction, lap swimming, basic water rescue, water games, basketball, diving lessons, speed swim instructions, free swim, synchronized swimming, and a great opportunity for triathlon water training.

≈ Parent & Toddler Lessons

Parent & Toddler lessons are a two week program designed to help parents acclimate their toddlers to the water. Lots of fun for Mom, Dad, and child.

≈ Private Swim Lessons

Private Swim Lessons are available by request. Please contact the Program Director for more information.
